

Gain access to our pool of graduate interns

Dear Community member,

We are excited to announce that the Norwich Research Park has become a delivery partner of the UEA Gateway to Growth Project.

What this means for Norwich Research Park SMEs

You will have unique access to the internship hub where you can recruit an intern on a flexible hourly basis.

The team can help you in a number of areas including marketing, social media strategy, data analytics and more.

Introductory FREE Project

We are offering a free project to one lucky business. To be considered, you just need to complete our survey!

You will have access to our current interns, who are looking forward to working with you to help your business succeed.

We want to hear from you!

We'd love to know how our program can best fit your needs. To do this, we would like your thoughts and feedback by completing our survey, whereby you will also be considered for a free project.
